The Calendar Year 2004 Annual Report of Internal Discharges and Certification of Building 374 Product Water for the Rocky Flats Environmental Technology Site (Site) is enclosed. The report also contains an Evaluation of Infiltration and Inflow at the Site Wastewater Treatment Plant. This report is required by the Site National Pollutant Discharge Elimination System Permit No. CO-0001333, Part 111, Section 1, and Part I, Sections C3 and 4.

I certify under penalty of law that this document and all enclosures were prepared under my direction or supervision in accordance with a system designed to ensure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

**If you have any questions or desire additional information on this matter please contact John Stover, of my staff, at (303) 966-9735.**
